INVITATION

Dear Chess friends,

We are very pleased to inform you that the 21st World Senior individual chess Championships will be held in Opatija, Croatia, November 14 – 27, 2011.

The organizers of this event are the Croatian Chess Federation and the Chess Club Rijeka. A year ago we successfully organized the Individual European men's and women's chess championships, which were proclaimed by the players and by chess personalities as "the best ever organized championship". It is our objective to have the forthcoming World Senior Chess Championships at least at the same organizational level.

We would like to use this opportunity to invite your senior members to take part of the Championships. We are also kindly asking FIDE chess federations to help us in order to have the maximum number of senior chess players to take part at the tournament.

We remain at your full disposal for any additional information. You can contact us by e-mail info@rijekachess.com or by visiting web page www.rijekachess.com.

Thanking you in advance for your kind assistance I remain,

Yours sincerely,

Damir Vrhovnik, I.O.
Honorary president of CC Rijeka
Tournament director
