All 4 matches against the Welsh were hard fought and close. There were some fine individual performances (see the games below!) coupled with a few missed chances, particularly in the Stokes Team.

Things were tough against England. Again the Teams fought hard, and there were some fine wins from Dechlan and Euan in the Robinson and Murad in the Glorney (thanks to a cute tactic). The England Under 12s in particular looked formidable.

We play Ireland tomorrow morning and England in the afternoon. The Team are in good spirits and are looking forward to the rest of the event.
