We faced the Irish in round 3 this morning. The Glorney Team won 3-2, thanks to another endgame win from Ben and a nice tactical finish from Lennart. The Gilbert team narrowly lost, and the Irish showed just why they were the defending champions in the Stokes. In the Robinson, Euan, Leston and Jack won smoothly, while on board 1 Kai showed the value of finding the best moves in difficult positions and even managed to win in the end.

The Robinson Team continued their excellent form with a 3-3 draw against England. Dechlan took full advantage when his opponent's pieces left the defence of their King to win a queenside pawn, and Kai won an excellent attacking game. There were good performances elsewhere - Daniel Thomas landed a nice trick to net a piece, and Anna continued her unbeaten run in the Gilbert. Another hard match for the Stokes Team, they'll come back tomorrow ready to fight again.
