All clubs who take out membership of Chess Scotland are entitled to apply to play in the Richardson or Spens Cup. However if more than 16 teams apply to play in the Richardson, clubs will be selected based on performance in previous years' tournaments. The match dates will be listed on the Chess Scotland website calendar. **These games will be FIDE rated for 2018/19**

Could I please remind clubs that they can of course enter more than one team if they so wish. Also, it is worth mentioning that any clubs having difficulty in arranging a venue for Richardson and Spens matches could consider the option of approaching a larger club with a view to sharing premises.
