Junior Grading Fees

a) Affiliate Junior Organisations: In return for whatever is the annual fee paid at the start of a season an affiliated junior organisation gets all games organised and held under their banner graded “free” at no further cost.

b) Junior Congress/League (not run by a junior affiliate): An exclusively junior event will be charged a 50p per head grading fee regardless of the number of rounds. **2021-2022 = 25p per head***.

c) Junior events run by adult leagues: In line with the existing policy with regard to league ancillary fees there should be a reduced fee rate for any junior congress or league run by an affiliated adult league. If the event is exclusive to players in that league then the junior rate is 25p per head. If the event is open to all then it is covered under section b. **2021-2022 = 13p per head***.

d) Schools Clubs: A school can register with their local affiliate junior organisation or adult league and benefit from free grading of their events.

Further clarification of fees is available on application.

Richardson, Spens and Nancy Elder will not operate in 2021-22 and fees will be reviewed when the events restart.
